HISLE provided additional details explaining his use of force report from the incident which occurred on February 25, 2025, involving ZAITSEV. HISLE explained during the arrest of ZAITSEV he used force on ZAITSEV prior to the biting of DO ROBLES's finger and explained the force used. HISLE stated he and ROBLES used force when they had to hold ZAITSEV up to prevent him from falling to the ground when ZAITSEV dropped his weight to prevent walking towards the freight elevators. HISLE stated the third use of force prior to ZAITSEV biting DO ROBLES was utilizing ICE ERO trained control holds of ZAITSEV.

HISLE stated while processing ZAITSEV back into ERO custody, he asked ZAITSEV if he remembered him? HISLE stated ZAITSEV looked back and did not recognize HISLE. HISLE stated he then took his face covering off and again asked ZAITSEV, "Now do you remember me?" HISLE stated ZAITSEV then acknowledged he knew HISLE.
